ADDITIONAL EQUIPMENT, SYSTEMS AND SERVICE DISCLAIMER NOTICE

The undersigned acknowledges that a representative of ACT SECURITY SERVICES LLC (hereinafter referred to as “ACT” or “ALARM COMPANY”) has explained additional equipment, systems and protection that may be available from ACT, for additional charges, and the undersigned has had sufficient opportunity to consider the additional services that may be available, and has decided not to request or contract for such additional equipment, systems or protection. The additional equipment, systems and protection discussed included but was not limited to the following:

- hard wire systems
 - wireless systems
 - additional contacts
 - motion detectors
 - audio surveillance
 - video surveillance
 - guard response
 - stationary guards
- UL, ETL or other nationally recognized testing lab approved installation
 - UL, ETL or other nationally recognized testing lab approved monitoring
 - sprinkler / fire alarm
 - electrical surge protection
- data storage and retrieval
 - access control
 - fire, smoke, carbon monoxide, water, heat, temperature
 - roof, attic walls, exterior
 - independent secondary systems
- video monitoring
 - cellular/ radio backup
 - latest technology
 - dedicated telephone line communication

The undersigned acknowledges that:

- Not all of the above services are available or offered by ACT but the services and equipment were brought to the undersigned's attention and the undersigned declined such services or the opportunity to obtain the services from other security companies.
- That ACT has explained that it has no control over communication pathways such as telephone lines, VoIP, Internet, radio or cellular. Not all communication pathways are available in all areas and all communication pathways are subject to failing. If available ACT has discussed alternative communication pathways and Subscriber is responsible for selecting the available communication pathways. The security system will not communicate if the communication pathways are not working.
- That ACT is not responsible for the security or privacy of any wireless network system or router and that wireless systems can be accessed by others and it is the undersigned's responsibility to secure access to the system with pass codes and lock outs.
- That ACT has advised undersigned of any permits required for the alarm system and monitoring, and undersigned acknowledges that it is undersigned's responsibility to obtain and maintain all required permits and pay any false alarm or other fines related to the alarm systems or service.
- That smoke detectors and other battery operated devices must be checked monthly and batteries replaced at least annually and that the undersigned is responsible to check and replace batteries.
- That ACT has explained all components, operation and use of the alarm system to the undersigned's satisfaction.
- That if audio or video devices are installed, the undersigned has been advised to independently ascertain that the audio or video devices are used lawfully. ACT has made no representations and has provided no advice regarding the use of audio or video devices.

If ACT is taking over this system installed by anyone other than ACT:

- ☐ The undersigned declines inspection of existing system installed by others and assumes all risk and conditions of the system and has only requested ACT to re-program communication and monitor existing system with no repair obligation.

ACT has inspected the security and or fire alarm system, reported non-operational components, and:

- ☐ The undersigned declines to authorize repairs and assumes all risk for existing system.
- ☐ The undersigned authorizes and agrees to pay for repairs which shall be detailed in the Sale or Service Agreement.
